STUDENT BUDGET CONSULTATION

Activity Sheet 2.2: Examining the Issues

Respond to the questions below after watching the *Expert Opinions* videos on the Québec Student Budget Consultation website.

1. Select two of the issues/perspectives discussed and explain why you agree with them the most.

2. Identify one issue that matters to you but is not discussed in the current videos. Why do you feel this should this be a priority in the upcoming provincial budget?

3. Consider a strategy or proposal to improve one of the issues you have identified. What research could you do to bolster your argument?

4. What additional questions do you have that would strengthen your proposal?

5. Ask a family member or a friend what they believe will be the most important issue in the upcoming budget, and why?
